PEROXICAP ENCAPSULATION CLEANER/ CARPET PRESPRAY

A multi-purpose carpet cleaning agent safe to use on natural and synthetic fibers.

• Multi-purpose hydrogen peroxide activated and encapsulating polymer fortified carpet cleaning agent. It combines a synergistic hydrogen peroxide detergent blend with a special encapsulating polymer.

• The encapsulating polymers in Peroxicap also assists the carpet after cleaning by fighting against re-soiling. Carpets cleaned with encapsulating polymers have been demonstrated to stay cleaner longer than when traditional cleaning solutions are used.

• Peroxicap can be used effectively as a hot water extraction prespray, a low moisture encapsulation cleaner, a bonnet cleaning solution, and encapsulating hot water extraction rinse.

DIRECTIONS

Always pretest surface being cleaned for colorfastness with solution before proceeding.

For use as a low moisture encapsulation cleaner: Mix 1 part Peroxicap solution with 12 parts water (10 ounces to a gallon) for normal cleaning. Mix 1 to 8 (14 ounces) for heavy soil. Apply with a pump up pressure sprayer, electric sprayer, or battery sprayer in an even, overlapping pattern across the area to be cleaned. Apply just enough solution for the carpet to be moist to the touch. Agitate the solution into the carpet thoroughly with a counter-rotating cylindrical brush machine, a shampoo brush, a triple-planetary rotary brush machine, or an orbital or oscillating pad machine. Allow the cleaning solution to dry completely. Vacuum the carpet at the next scheduled vacuuming interval.

For use as a bonnet cleaner: Mix 1 part Peroxicap with 12 parts water (10 ounces to a gallon) for normal cleaning. Mix 1 to 8 (14 ounces) for heavy soil. Apply to bonnet pad and to carpet with a pump up pressure sprayer, electric sprayer, or battery sprayer in an even, overlapping pattern across the area to be cleaned. Apply just enough solution for the carpet to be moist to the touch and provide lubrication for the bonnet to run smoothly over the carpet. Agitate the solution into the carpet with your bonnet pad. Allow the cleaning solution to dry completely. Vacuum the carpet at the next scheduled vacuuming interval.

For use as a traffic lane cleaner: (carpet prespray or preconditioner) Mix 1 part Peroxicap with 12 parts water (10 ounces to a gallon) for normal cleaning. Mix 1 to 8 (14 ounces) for heavy soil. Apply with a pump up pressure sprayer, electric sprayer, or battery sprayer in an even, overlapping pattern across the area to be cleaned. Apply a heavier amount in more soiled areas. Allow 5-10 minutes of dwell time. Work into carpet pile with

Grandi-Groomer or Grandi-Brush. Extract the carpet and applied prespray solution with a compatible extraction rinse solution like Refreshsoft Neutralizing Rinse.

For use as a hot water extraction rinse detergent:

- For portable extractors or walk behind extractors, mix 2 ounces of cleaning solution per five gallons of water in solution tank
- For truck mounts or metered portable extractors, mix one quart of solution (32 ounces) with five gallons of water. Set solution flow meter to equipment manufacturers recommended setting.

For use as an upholstery cleaning agent: Mix one part Peroxicap with 12 parts water (10 ounces to a gallon) in a trigger, pump up pressure, electric, or battery sprayer. Apply the solution evenly across the fiber. Agitate and brush the fabric gently with a (hand bonnet mitt or horse hair brush or equivalent SOFT bristled brush). For low moisture cleaning, simply allow the solution to dry and vacuum off. For extraction cleaning, extract with fresh water rinse.

INGREDIENT DISCLOSURE

Water, Hydrogen Peroxide, Butyl Acrylate-Methacrylic Acid Copolymer, Sodium Xylene Sulfonate, Dipropylene Glycol Butyl Ether, Anionic Copolymer, C9-11 Alcohols Ethoxylated, Lauramine Oxide, Propylene Glycol Butyl Ether, Sodium Sulfate, Propylene Glycol 2-Butyl Ether.

IMPORTANT NOTICE TO PURCHASER: Seller's and manufacturer's liability for any and all losses or damages resulting from any cause whatsoever shall in no event exceed the purchase price of this product, with respect to which losses or damages are claimed. Before using, the user shall determine the suitability of this product for its intended use, and user assumes all risk and liability whatsoever in connection therewith. Go to www.groomindustries.com/sds for additional safety, regulatory and liability information.

WARNING

Keep out of reach of children.

HAZARD STATEMENTS:

Harmful if inhaled. Causes skin irritation. Causes serious eye irritation. May cause or intensify fire; oxidizer.

PRECAUTIONARY STATEMENTS:

Avoid breathing dust/fume/gas/mist/vapors/spray. Use only outdoors or in a well-ventilated area. Wash face, hands and any exposed skin thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection. Keep away from heat. Keep/Store away

from clothing/ combustibles. Take any precaution to avoid mixing with combustibles. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. IF ON SKIN: Wash with plenty of soap and water. If skin irritation occurs: Get medical advice/attention. Take off contaminated clothing and wash before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell. In case of fire: Use CO2, dry chemical, or foam for extinction. Dispose of contents/container to an approved waste disposal plant.

ATENCIÓN

Mantener fuera del alcance de los niños.

INDICACIONES DE PELIGRO:

Nocivo en caso de inhalación. Provoca irritación cutánea. Provoca irritación ocular grave. Puede provocar o agravar un incendio; comburente.

CONSEJOS DE PRUDENCIA:

Evitar respirar polvos/ humos/ gases/ nieblas/ vapores/ aerosoles. Utilizar únicamente en exteriores o en un lugar bien ventilado. Lavarse la cara, las manos y la piel concienzudamente tras la manipulación. Usar guantes/ropa de protección/equipo de protección para los ojos/la cara. Conservar alejado del calor. Mantener o almacenar alejado de la ropa/ materiales combustibles. Tomar todas las precauciones necesarias para no mezclar con material combustible. EN CASO DE CONTACTO CON LOS OJOS: Aclarar cuidadosamente con agua durante varios minutos. Quitar las lentes de contacto, si lleva y resulta fácil. Seguir aclarando. Si la irritación ocular persiste: consultar a un médico. EN CASO DE CONTACTO CON LA PIEL: Lavar con agua y jabón abundantes. En caso de irritación cutánea: consultar a un médico. Quitarse las prendas contaminadas y lavarlas antes de volver a usarlas. EN CASO DE INHALACIÓN: Transportar a la víctima al exterior y mantenerla en reposo en una posición confortable para respirar. Llamar a un CENTRO DE INFORMACIÓN TOXICOLÓGICA o a un médico si se encuentra mal. En caso de incendio: Utilizar CO2, polvo químico seco o espuma para la extinción. Eliminación de contenidos/ contenedor a una planta de incineración autorizada.

AVERTISSEMENT

Tenir hors de portée des enfants.

MENTIONS DE DANGER:

Nocif par inhalation. Provoque une irritation cutanée. Provoque une sévère irritation des yeux. Peut provoquer ou aggraver un incendie; comburant.

CONSEILS DE PRUDENCE:

Éviter de respirer les poussières/ fumées/ gaz/ brouillards/ vapeurs/ aérosols. Utiliser seulement en plein air ou dans un endroit bien ventilé. Se laver le visage, les mains et toute surface de peau exposée soigneusement après manipulation. Porter des gants de protection/ des vêtements de protection/un équipement de protection des yeux/ du visage. Conservers à l'écart de la chaleur. Tenir/stocker à l'écart des vêtements/ matières combustibles. Prendre toute précaution pour éviter de mélanger avec des matières combustibles. EN CAS DE CONTACT AVEC LES YEUX: rincer avec précaution à l'eau pendant plusieurs minutes. Enlever les lentilles de contact si la victime en porte et si elles peuvent être facilement enlevées. Continuer à rincer. Si l'irritation oculaire persiste: Consulter un médecin. EN CAS DE CONTACT AVEC LA PEAU : laver abondamment à l'eau et au savon. En cas d'irritation cutanée: Consulter un médecin. Enlever les vêtements contaminés et les laver avant réutilisation. EN CAS D'INHALATION : transporter la victime à l'extérieur et la maintenir au repos dans une position où elle peut confortablement respirer. Appeler un CENTRE ANTIPOISON ou un médecin en cas de malaise. En cas d'incendie : Utiliser du CO2, une poudre d'extinction ou une mousse pour l'extinction. Éliminer le contenu/ récipient dans une usine d'élimination des déchets approuvée.
