Carpet and Rug Protector

Maxim S.O.S.

Maxim S.O.S. protects wool and nylon fibers from stains without the use of solvents, fluorochemicals or silicones. In addition, powerful odor-neutralizing agents and a pleasant, citrus scent create a positive first impression while special polymers help prevent resoiling and wicking.

Contents: One U.S. Gallon (3.79 Litres)

BRIDGEPOINT®

SYSTEMS

- X Oriental Rugs
- X Wool Carpet
- X Nylon Carpet

5.5 RTU pH

X = Primary Use ✓ = Secondary Use

Maxim S.O.S. Carpet and Rug Protector is specially designed to protect nylon or wool rugs and carpet without the use of smelly solvents, fluorochemicals or resoiling silicones. It contains a highly concentrated, anti-staining polymer that coats fibers and prevents staining agents like red wine, grape juice and Kool-Aid from permanently bonding to the carpet fiber. Additionally, an anti-resoiling polymer, proven to help reduce resoiling and wicking, has been added along with an odor-neutralizing agent and a light citrus scent that eliminate the unpleasant odors associated with wet carpet.

DIRECTIONS:

CARPET

1. Dilution: Dilute by mixing 1 part concentrate protector with 4 parts water. Product covers 1,200 to 2,400 sq. ft. per concentrated gallon container.
2. Coverage: 240 to 480 sq. ft. per diluted gallon for damp or dry carpet. Coverage depends on carpet pile density; i.e. heavy pile residential requires 1 gallon per 240 sq. ft., low pile commercial requires 1 gallon per 480 sq. ft.
3. Pre-test white rugs or carpet in an inconspicuous place to see if the fiber dulls or yellows to any degree before proceeding. Dilute further with water if there is a possibility of an amber tint. If amber tint is present after

carpet dries it can be removed with a clear water rinse.

4. Application: Apply to freshly cleaned carpet using an electric or battery powered sprayer maintaining 35 to 50 psi with an 8004 TeeJet nozzle. Apply evenly over entire carpet surface and then brush or rake the carpet. If carpet is stiff after drying then vacuum or groom the carpet to remove stiffness.

INGREDIENT DISCLOSURE

Water, Polymer NJTS#58-2380661-5019, Anionic Copolymer, Sodium Xylene Sulfonate, Sodium Styrene/MA Copolymer, Cocamidopropyl Betaine, Sodium Caprylyl Sulfonate, Sodium Bisulfate, Zinc Sulfate, Diammonium EDTA, C12-16 Alcohols Ethoxylated, Alkylpolyglycol, Sodium C10-16 Alkylbenzenesulfonate, Benzisothiazolinone, Isopropanol, Linalool, Propylene Glycol. Contains fragrance allergen(s).

IMPORTANT NOTICE TO PURCHASER: Seller's and manufacturer's liability for any and all losses or damages resulting from any cause whatsoever shall in no event exceed the purchase price of this product, with respect to which losses or damages are claimed. Before using, the user shall determine the suitability of this product for its intended use, and user assumes all risk and liability whatsoever in connection therewith.
