Citrus Gel Adhesive Remover

Contents: 16 oz. (0.47 Litres)

user shall determine the suitability of this product for the intended use, and user assumes all risk and liability whatsoever in connection therewith. The manufacturer and seller make no representation or warranty, including merchantability or any other kind, expressed or implied. The foregoing may not be altered except by written agreement by officers of the manufacturer.

IMPORTANT NOTICE TO PURCHASER: The manufacturer and seller warrant that the chemical contained here-in conforms to its standard specifications. Seller's and manufacturer's liability for any and all losses or damages resulting from any cause whatsoever shall in no event exceed the purchase price of this product, with respect to which losses or damages are claimed. Before using,

CITRUS GEL ADHESIVE REMOVER

is designed to remove reactive adhesives like epoxies, urethanes, silicones, and other specialty adhesives from carpet, upholstery and hard surfaces. Pre-test in an inconspicuous area for safety and compatibility. Shake well before using.

• Specialty Adhesive Remover VOC Limit - 70%

DIRECTIONS

1. Remove loose or excess residue. Avoid over-application.
2. Apply full strength to the adhesive.
3. Agitate into area with any hand held implements like Gum Getter™ or bone scraper. Poke into the contaminant surface to allow the Citrus Gel to penetrate.
4. Allow to dwell for 3-5 minutes.
5. Blot or scrape up excess along with any adhesive that has been loosened. Repeat steps 2-5 if necessary.
6. Blot and rinse the area thoroughly, with Empowered Water™.
7. Mist Finishing Spray on treated areas. Brush Finishing Spray to both align the

fibers and evenly distribute the product.
