# Stain Oxidizer

RTU pH: 5.5

Contents: 32 oz. (0.94 Litres)

**IMPORTANT NOTICE TO PURCHASER:** The manufacturer and seller warrant that the chemical contained here-in conforms to its standard specifications. Seller's and manufacturer's liability for any and all losses or damages resulting from any cause whatsoever shall in no event exceed the purchase price of this product, with respect to which losses or damages are claimed. Before using, user shall determine the suitability of this product for the intended use, and user assumes all risk and liability whatsoever in connection therewith. The manufacturer and seller make no representation or warranty, including merchantability or any other kind, expressed or implied. The foregoing may not be altered except by written agreement by officers of the manufacturer.

**STAIN OXIDIZER** is a one part oxidizing spotter designed to remove stains other products cannot. Ideal for use on mustard, furniture stains, wood stains, shoe polish, urine, coffee, vomit, feces, pigments and more.

#### DIRECTIONS

1. Always pretest for colorfastness in an inconspicuous area.
2. Clean discolored area thoroughly. Remove as much of the staining material as possible with conventional spotting techniques before applying Stain Oxidizer.
3. Apply to affected area. Allow to dwell five to ten minutes. Agitate with spotting spatula or tamping brush, and blot with clean, colorfast white absorbent towel. Rinse area thoroughly to remove as much of the stain and moisture as possible. If any residual stain remains, apply Stain Oxidizer again. Allow to dry. Do not judge final results until solution has dried. **KEEP CHILDREN AND PETS AWAY FROM TREATED AREA UNTIL IT IS COMPLETELY DRY.** For mustard stains, consider prolonged exposure (20 minutes - 4 hours) to an ultraviolet light.
4. Store in cool, dark area. High heat and sunlight exposure can dramatically impact shelf life and effectiveness of product. Store only what you need in the work vehicle and keep as far away from truck mount as possible. Do not put in pressurized sprayer.

Notice: This product contains oxidizers and may pull the original color of the carpeting, especially when used in conjunction with heat and other accelerating actions. Test in inconspicuous area before using.

**INGREDIENT DISCLOSURE** Water, Hydrogen Peroxide, Butoxydiglycol, Polymer NJTS#58-2380661-5019, Anionic Copolymer, Butoxyethanol, Sodium Lauryl Sulfate, Dodecanol.
