

# TM TRUCKMOUNT DESCALER Neutralizer

## Step 2

Contents: One U.S. Gallon (3.79 Litres)

READ LABEL DIRECTIONS AND WARNINGS BEFORE USING THIS PRODUCT.

- Descaler Neutralizer is designed to be used as Step 2 in our 2-part descaling system.
- Neutralizes acidic Truckmount Descaler water for safer disposal.
- No harsh fumes or excessive foam.
- Designed to be used with Truckmount Descaler to minimize the environmental impact of wastewater. The two-part system ensures a thorough descaling while also neutralizing wastewater that would otherwise remain acidic after descaling.

### DIRECTIONS

8. Disconnect truckmount water inlet and solution outlet hoses.
9. Drain enough water from the truckmount water box to allow enough space to empty the entire container of Truckmount Descaler Step 1 into the water box. There must be enough liquid to allow the Step 1 powder to mix and become liquid, and for a gallon of Step 2 to be added last as a neutralizer. An appropriate amount for most truckmounts is a half full water box.
10. Run truckmount to warm water (not hot).
11. Slowly sprinkle 2 pounds (entire bottle) of Truckmount Descaler Step 1 into waterbox to dissolve while truckmount is running.
12. Let truckmount run for 15 to 30 minutes (depending on severity of scale) to release scale from metal parts.
13. Add Truckmount Descaler Neutralizer Step 2 while truckmount is running for 2 minutes to neutralize acid.

14. Flush with clear water for five minutes after starting release of neutralized wastewater.

### INGREDIENT DISCLOSURE:

Water, Tetrapotassium Pyrophosphate, Sodium Metasilicate.

IMPORTANT NOTICE TO PURCHASER: Seller's and manufacturer's liability for any and all losses or damages resulting from any cause whatsoever shall in no event exceed the purchase price of this product, with respect to which losses or damages are claimed. Before using, the user shall determine the suitability of this product for its intended use, and user assumes all risk and liability whatsoever in connection therewith. Go to [www.hydroforce.com/sds](http://www.hydroforce.com/sds) for additional safety, regulatory and liability information.

### DANGER!

Keep out of reach of children.

### HAZARD STATEMENTS:

Causes severe skin burns and eye damage. May cause respiratory irritation.

### PRECAUTIONARY STATEMENTS:

Do not breathe dust/fume/gas/mist/vapors/spray. Wash face, hands and any exposed skin thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection. Use only outdoors or in a well-ventilated area. Immediately call a POISON CENTER or doctor/physician. IF IN EYES: Rinse cautiously with water for several minutes.
