RUST ERASER

Safely and quickly remove the most stubborn rust stains. Simply apply and agitate. A short dwell time and the rust will begin to disappear.

SPOTTER

For Professional Use Only

Rust Eraser is a powerful, full strength rust remover that effectively removes all types of rust stains caused by iron-containing metals while also being safer than many competitive rust removal products. Rust Eraser begins to work immediately on tough rust stains and can often remove the stain within a couple minutes. For particularly difficult stains, longer dwell times improve the effectiveness.

- Removes even the toughest rust stains
- Safer ingredient profile than competitive rust removers

DIRECTIONS

1. Test fabric for compatibility in an inconspicuous area.
2. Apply full strength to rust stain.
3. Agitate and allow a short dwell time for Rust Eraser to work.
4. Thoroughly rinse area with water.
