

VIPER VENOM II

Tile & Grout Cleaner

Viper Venom II is a professional-strength cleaner designed for use on tile & grout and sealed concrete.

- X Grout & Tile
- ✓ General Cleaning
- ✓ Fire Restoration

X = Primary Use ✓ = Secondary Use

HYDRO-FORCE®

One U.S. Gallon (3.79 Litres)

RTU ph - 11.3 - 11.5

Viper Venom II represents the next generation of tile and grout cleaners. Cutting-edge surfactant technology enhances penetration and emulsification of oily soils—reducing, or eliminating, exhausting scrubbing of the grout lines.

A proven blend of ingredients clean a wide range of soils and oils from hard surfaces like tile and grout and sealed concrete. Special additives “bond” to particulate soils and hold them in suspension so they can be freely rinsed away without redepositing back into porous grout.

Viper Venom II has a new solvent mix with almost no odor. This allows the cleaner to add a citrus booster or fragrance of their choice.

- ✓ 270% increase in grease-cutting surfactants. This results in improved cleaning power without needing to rely on solvents.
- ✓ 100% reduction in noxious solvent making it easier to work in confined spaces with poor ventilation.
- ✓ 50% reduction in foam levels. Next-gen surfactants cut through oils with minimal foam.
- ✓ Improved safety formulation without sacrificing cleaning effectiveness
- ✓ 60% reduction in ready-to-use cost. Increased, and improved surfactant blend, allows you to get the same cleaning performance at a lower dilution.

DIRECTIONS:

Grout and Tile Maintenance: Dilute 1 part Viper Venom II with 16 parts hot water.

Grout and Tile Restoration: For special case, hard-to-remove soils, dilute 1 part Viper Venom II with 4 parts hot water for extreme cleaning. Low pressure spray onto grout and tile and allow to dwell for 5 minutes, but do not allow to dry before cleaning/extracting. Add oxygen and/or citrus booster when necessary for grout whitening and enhanced degreasing.

For wood floors: Use Hydro-Force Wood Fresh hardwood cleaner.

For stone (marble, travertine, Saltillo): Use Viper Stone cleaner.

For vinyl (VCT, LVT, LVP): Use Viper 7 neutral cleaner.

For removing hard water (mineral) deposits from tile and grout: Use Viper Renew acid cleaner.

INGREDIENT DISCLOSURE:

Water, Surfactant Blend NJTS#753159-01, PEG-15 Cocomonium Chloride, Dipropylene Glycol Methyl Ether, Sodium Silicate Pentahydrate, Ethyl Hexanol Ethoxylated Propoxylated, Pentasodium Triphosphate, Butoxydiglycol, Tetrapotassium Pyrophosphate, Sodium Phosphate.

IMPORTANT NOTICE TO PURCHASER: Seller's and manufacturer's liability for any and all losses or damages resulting from any cause whatsoever shall in no event exceed the purchase price of this product, with respect to which losses or damages are claimed. Before using, the user shall determine the suitability of this product for its intended use, and user assumes all risk and liability whatsoever in connection therewith. Go to www.hydroforce.com/sds for additional safety, regulatory and liability information.

WARNING!

Keep out of reach of children.

HAZARD STATEMENTS:

Causes serious eye irritation. Harmful if swallowed.

PRECAUTIONARY STATEMENTS:

Wash face, and any exposed skin thoroughly after handling. Wear eye/face protection. Do not eat, drink or smoke when using this product. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. IF SWALLOWED: Call a POISON CENTER or doctor/physician if you feel unwell. Rinse mouth.

ATENCIÓN!

Mantener fuera del alcance de los niños.

INDICACIONES DE PELIGRO:

Provoque una sévère irritation des yeux.

CONSEJOS DE PRUDENCIA:

Lavarse la cara, las manos y la piel concienzudamente tras la manipulación. Úsese protección para los ojos/la cara. No comer, beber ni fumar durante su utilización. EN CASO DE CONTACTO CON LOS OJOS: Aclarar cuidadosamente con agua durante varios minutos. Quitar las lentes de contacto, si lleva y resulta fácil. Seguir aclarando. Si la irritación ocular persiste: consultar a un médico. EN CASO DE INGESTIÓN: Llamar a un CENTRO DE INFORMACIÓN TOXICOLÓGICA o a un médico si se encuentra mal. Enjuagarse la boca.

AVERTISSEMENT!

Tenir hors de portée des enfants.

MENTIONS DE DANGER:

Provoque une sévère irritation des yeux. Nocif en cas d'ingestion.

CONSEILS DE PRUDENCE:

Se laver le visage, les mains et toute surface de peau exposée soigneusement après manipulation. Porter un appareil de protection des yeux/du visage. Ne pas manger, boire ou fumer en manipulant le produit. EN CAS DE CONTACT AVEC LES YEUX: rincer avec précaution à l'eau pendant plusieurs minutes. Enlever les lentilles de contact si la victime en porte et si elles peuvent être facilement enlevées. Continuer à rincer. Si l'irritation oculaire persiste: Consulter un médecin. EN CAS D'INGESTION: appeler un CENTRE ANTIPOISON ou un médecin en cas de malaise. Rincer la bouche.
