ZEROREZ Spotter gives professional results on wet cleanable carpet and upholstery stains. It even works on many wet cleanable clothing stains. Zerorez Spotter is non-toxic and safe for use in the home, business or car. It will not leave sticky residue.

To increase the life of your furnishings and maintain a healthy environment, have your carpet and upholstery professionally cleaned at regular intervals by your local Zerorez franchisee.

Zerorez Spotter has been tested and approved by the Carpet and Rug Institute (CRI) Seal of Approval Program (SOA) as a general spotter, signifying its effectiveness against spots and spills and demonstrating that it will not lead to carpet re-soiling.

Zerorez Spotter contains no solvents, acids or other known listed hazardous or toxic materials.

CAUTION: EYE IRRITANT
Do not get in eyes.

FIRST AID: If in eyes, rinse with water for 15 minutes. If irritation persists, call a doctor.

Spot Remover

www.website
(123) 555-1234

CAUTION: EYE IRRITANT
See caution on back label.

12 FL. OZ. (355 mL)

DIRECTIONS:
Always pretest for colorfastness in an inconspicuous area.

1 Apply Zerorez Spotter to the affected area with a clean white absorbent cloth.
   ** Avoid saturating fiber.

2 Agitate lightly and then blot to absorb the stain into the cloth.

3 Repeat steps 1 and 2 as needed.

** For upholstery or delicate fibers, apply Zerorez Spotter to the cloth first, and then blot stain.

Note: It is possible for some residual portion of the stain to remain. This will often disappear as the area dries. For some stubborn or persistent stains, extraction may be necessary.

Contact your professional Zerorez franchisee for more information.

For emergency medical assistance, call your local poison control center or call 1-800-535-5053.
