ZEROREZ® PRESPRAY is the ideal pre spray for synthetic carpet, area rugs, upholstery and mattresses, or any other textiles made from **synthetic** (man-made) fibers. It is also the preferred pre spray for ceramic or porcelain tile and grout.

Zerorez® Prespray is a **“GREEN”** pre spray and is specifically and uniquely made for the Zerorez® System. It's special blend of surfactants, solvents and builders combined with other unique raw materials gives Zerorez® a truly impressive and versatile product found nowhere else in the industry.

DIRECTIONS

WATER KEY

 = B Water  = Tap Water

- Mix three (3) ounces of Prespray Powder per one gallon of water
- For extreme soil add one (1) ounce of Citrus Solv per one gallon of ready to use Prespray
- Pre spray area to be cleaned and allow a few minutes dwell time
- For best results, agitate Prespray into fibers. For carpet, rugs or tile, agitate using the ZrLifter. For upholstery and other textiles, agitate with a horse hair brush
- Extract with empowered water

NOTE – Not recommended for natural fibers such as wool, cotton or other fibers containing cellulosic materials. Always pre-test in an inconspicuous area prior to use.

WARNING

Keep out of reach of children.
