

TM TRUCKMOUNT DESCALER

Step 1

Contents: 2 pounds (907 grams)

READ LABEL DIRECTIONS AND WARNINGS BEFORE USING THIS PRODUCT.

- Powdered descaler system for removal of hard water deposits from truckmounts.
- Designed with inhibitors to protect metals and surfactant to quickly penetrate hard water scale.
- Readily dissolves in water for safer and easier handling.
- No harsh fumes or excessive foam.
- Designed to be used with Truckmount Descaler Neutralizer to minimize the environmental impact of wastewater. The two-part system ensures a thorough descaling while also neutralizing wastewater that would otherwise remain acidic after descaling.

DIRECTIONS:

1. Disconnect truckmount water inlet and solution outlet hoses.
2. Drain enough water from the truckmount water box to allow enough space to empty the entire container of Truckmount Descaler Step 1 into the water box. There must be enough liquid to allow the Step 1 powder to mix and become liquid, and for a gallon of Step 2 to be added last as a neutralizer. An appropriate amount for most truckmounts is a half full water box.
3. Run truckmount to warm water (not hot).
4. Slowly sprinkle 2 pounds (entire bottle) of Truckmount Descaler Step 1 into waterbox to dissolve while truckmount is running.
5. Let truckmount run for 15 to 30 minutes (depending on severity of scale) to release scale from metal parts.
6. Add Truckmount Descaler Neutralizer Step 2 while truckmount is running for 2 minutes to neutralize acid.
7. Flush with clear water for five minutes after starting release of neutralized wastewater.

CONTAINS:

Sulfamic acid (CAS #5329-14-6), Corrosion Inhibitors.

IMPORTANT NOTICE TO PURCHASER: Seller's and manufacturer's liability for any and all losses or damages resulting from any cause whatsoever shall in no event exceed the purchase price of this product, with respect to which losses or damages are claimed. Before using, the user shall determine the suitability of this product for its intended use, and user assumes all risk and liability whatsoever in connection therewith. Go to www.hydroforce.com/sds for additional safety, regulatory and liability information.

WARNING!

Keep out of reach of children.

HAZARD STATEMENTS:

Harmful if swallowed. Harmful if inhaled. Causes skin irritation. Causes serious eye irritation.

PRECAUTIONARY STATEMENTS:

Wash face, hands and any exposed skin thoroughly after handling. Wear protective gloves and eye/face protection. Avoid breathing dust/fume/gas/mist/vapors/spray. Use only outdoors or in a well-ventilated area. Do not eat, drink or smoke when using this product. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. IF ON SKIN: Wash with plenty of soap and water. If skin irritation occurs: Get medical advice/attention. Take off contaminated clothing and wash before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell. IF SWALLOWED: Call a POISON CENTER or doctor if you feel unwell. Rinse mouth. Dispose of contents/container to an approved waste disposal plant.

ATENCIÓN!

Mantener fuera del alcance de los niños.

INDICACIONES DE PELIGRO:

Nocivo en caso de ingestión. Nocivo en caso de inhalación. Provoca irritación cutánea. Provoca irritación ocular grave.

CONSEJOS DE PRUDENCIA:

Lavarse la cara, las manos y la piel concienzudamente tras la manipulación. Llevar guantes protectores y protección para la cara y los ojos. Evitar respirar polvos/humos/gases/nieblas/vapores/aerosoles. Utilizar únicamente en exteriores o en un lugar bien ventilado. No comer, beber ni fumar durante su utilización. EN CASO DE CONTACTO CON LOS OJOS: Aclarar cuidadosamente con agua durante varios minutos. Quitar las lentes de contacto,

si lleva y resulta fácil. Seguir aclarando. Si la irritación ocular persiste: consultar a un médico. EN CASO DE CONTACTO CON LA PIEL: Lavar con agua y jabón abundantes. En caso de irritación cutánea: consultar a un médico. Quitarse las prendas contaminadas y lavarlas antes de volver a usarlas.
