which losses or damages are claimed. Before using, the user shall determine the suitability of this product for its intended use, and user assumes all risk and liability whatsoever in connection therewith. Go to www.bridgepoint.com/msds for additional safety, regulatory and liability information.

BIO BREAK from Bridgepoint is a complete preconditioning formula for carpets and upholstery. Grease and oils dissolve in minutes while protein soils are digested and readied for complete extraction. Excellent in restaurants and on problem soils found in homes and apartments.

✓ **POWER OF CITRUS:** Bio Break contains the delimonene boost of Citrus Solv to cut through greasy soils and provides the always pleasant Citrus fragrance.

✓ **FAST STRIKING ACTION:** Bio Break also contains grease cutting alkaline builders, non-ionic surfactant and an encapsulated protease enzyme that go to work NOW on the toughest soils.

✓ **SAFER TO USE:** Bio Break contains 6 ingredients that are considered "green" for the environment and is safer for the user. It is non toxic, contains no butyls, or harsh solvents or corrosive alkaline builders.

✓ **ECONOMICAL:** Bio Break will dilute for use in the Hydro-Force or other type sprayers for pennies per diluted gallon.

NOTE: In high concentrations, Bio-Break may not be suitable for stain resist carpets.

DIRECTIONS: For best results, use with hot water, up to 150 degrees. Brief exposure to high temperatures through the Hydro-Force will not affect performance.

- For heavy soil, mix 3 oz. Bio Break in 1 gallon hot water.
- For moderate to heavy soil, mix 1 to 2 oz. Bio Break to 1 gallon hot water.
- For use in the HYDRO-FORCE injection sprayer, mix 12 oz. Bio Break in 5 quarts hot water. Spray ready to use mixture evenly on the carpet. Allow up to 15 minutes before extracting. Do not allow solution to dry on the carpet before extracting. For Upholstery: ALWAYS PRETEST FOR COLOR FASTNESS OR COLOR CHANGE. Use only on wet-cleanable synthetic upholstery. Mix 1 to 2 ounces Bio Break in 1 gallon hot water. Spray lightly over soiled areas. Allow to dwell for 5 minutes. Proceed with proper cleaning procedure.

CAUTION: Keep Out of Reach of Children. May cause skin and eye irritation. May cause respiratory irritation if dust or mist is inhaled. May be harmful if swallowed. Avoid contact with skin and eyes. Wear eye protection and gloves when mixing, wash thoroughly after handling. Avoid inhalation of dust or mist while mixing or spraying. Do not swallow.

CONTAINS: STPP (CAS # 7758-29-4), Sodium Carbonate (CAS # 497-19-8), Sodium Hydrogen Carbonate (CAS # 144-55-8), MSP (CAS # 7558-80-7), Proprietary Surfactant Blend, Delimonene (CAS # 5989-27-5), Enzymes

INSTRUCCIONES: Para alfombras: Para obtener el mejor resultado, utilícelo con agua caliente (hasta 150°F—65°C).

- ✓ Para limpiar un área excesivamente sucia, combine 3 onzas de Bio Break con un galón de agua caliente (23 ml por litro—1:43).
- ✓ Para limpiar un área moderadamente o bastante sucia, mezcle 1 ó 2 onzas de Bio Break en un galón de agua caliente (de 8 a 16 ml por litro—1:128 a 1:64).
- ✓ Para su uso en el rociador por inyección Hydro Force, mezcle 12 onzas de Bio Break en 5 cuartos de galón de agua caliente (75 ml por litro—1:13).

Rocíe la mezcla preparada uniformemente en la alfombra. Déjelo reposar por 15 minutos antes de extraerlo. No permita que la solución se seque en la alfombra antes de extraerla.

PRECAUCIÓN: Si entra en contacto con los ojos, láveselos con bastante agua durante 15 minutos. Si la irritación persiste, consulte con un médico. En el caso

de contacto con la piel, lávese con agua limpia. Evite la ingestión. Si se ingiere el producto, consulte con un médico. Utilice lentes de seguridad con protección lateral para mezclar el concentrado.

BIO BREAK

May cause skin and eye irritation. Avoid contact with skin and eyes. In case of contact, immediately flush with plenty of water, seek medical advice if irritation persists.

Susceptible d'irriter la peau et les yeux. Évitez tout contact avec la peau et les yeux. S'il y a contact, lavez-vous immédiatement à la grande eau. Consultez un médecin si l'irritation se fait persistante.
