

# HYDROCIDEXtreme

*Ultra-Concentrated  
Fresh Fragrance Bonding  
and Encapsulating Deodorizer  
and Severe Odor Counteractant*

BRIDGEPOINT

SYSTEMS

## Hydrocide Xtreme

Destroys odors in carpet, upholstery, mattresses and hard surfaces. HYDROCIDEXtreme acts immediately and permanently against cat and other animal urine, vomit, decayed organic matter, sour smells, feces, skunk, musty mildew odors, and much more.

Contents: 16 oz. (480 ml)

X Hard Surface

X Carpet

X Upholstery

X = Primary Use ✓ = Secondary Use

- Fresh fragrance bonding, absorbing, and encapsulating deodorizer and severe odor counteractant
- Eliminates odor on contact
- Effective against urine and feces odors, vomit, decay, skunk musk, and so much more
- Contains no oxidizers, enzymes, bacteria, or chemical desensitizers
- Fresh, green approved light fragrance

## INSTRUCTIONS

Test for colorfastness. Always apply enough to assure direct contact with odor source. In some cases this means complete saturation.

**As a severe odor counteractant for urine, smoke, vomit, and feces** add 4 to 8 ounces per gallon of water. Saturate spray or flood the treatment area with solution. It is important for the solution to come in direct contact with all of the odor affected surface. Allow to dwell for 5 to 10 minutes, then thoroughly blot or extract solution from treatment area. Any remaining odor is an indication that HYDROCIDEX Xtreme™ did not come in direct contact with the odor source.

**For general purpose deodorization and surface treatment** add 8 ounces per gallon of water. Spray mixed solution onto treatment area. This solution may also be fogged using a wet fogger. Wear a NIOSH approved N95 organic vapor respirator, gloves and goggles when fogging the treatment area. For fogging, area must be vacated of pets and unprotected people for 30 minutes after treatment.

**For upholstery, mattress, and pet bed treatment** add 8 ounces per gallon of water. Apply with trigger or hand held pressure sprayer to treatment area. Evenly apply the solution. Allow area to dry before using.

**As a carpet or upholstery cleaning additive for presprays** add up to eight ounces per gallon of ready to use prespray to deal with odors prior to cleaning. Be aware that the addition of HYDROCIDEX Xtreme™ may neutralize some fragrances in presprays.

## CONTENTS

Water (Cas #7732-18-5), Proprietary blend odor absorbent/polymer, green approved fragrance.

## WARNING!

Keep out of reach of children.

## HAZARD STATEMENTS:

Causes skin irritation. Causes eye irritation. Harmful if inhaled.
