Neutralizing Rinse

GREEN BALANCE[®] NEUTRALIZING RINSE

Use Green Balance[®] Neutralizing Rinse either as a final post-spray step in your cleaning process, or as an extraction rinse. It prevents wick-back and browning and leaves the carpet ready for protector.

Contents: Five U.S. Gallons (18.9 Litres)

Recognized for Safer Chemistry • www.epa.gov/dfe

Designed to work in conjunction with the Green Balance[®] Prespray. Green Balance Neutralizing Rinse is a concentrated mild acid neutralizing agent used in the final extraction and rinse of the extraction cleaning process. It stabilizes dyes, prevents against browning and yellowing, pH neutralizes the carpet, and leaves a soft, luxurious feel. It is safe and effective for all synthetic fibers as well as all water safe natural fibers. It also contains encapsulating polymers to help the carpet resist resoiling. Contains no solvents or phosphates.

DIRECTIONS:

1. Green Balance Neutralizing Rinse can be safely used on all synthetic fibers, and all wet cleanable natural fabrics. Always pretest for colorfastness in an inconspicuous area.
2. Carpet cleaning directions:

PORTABLE EXTRACTOR: Mix 2 ounces of solution to five gallons of water in extraction tank.

TRUCK MOUNT: Mix one quart solution (32 ounces) with five gallons of water into solution container. Set solution flow meter between 2 and 3.

POST CLEANING SPRAY APPLICATION: Mix 5 ounces per gallon of water and apply with a pump-up, trigger, electric, or battery powered sprayer. Lightly mist across the carpet.

3. Upholstery cleaning: Mix 4 to 6 ounces of solution per gallon of water. It may be used as a final rinse through your extractor or spray misted on the fabric after cleaning.

PRECAUTIONS AND FIRST AID:

Keep out of reach of children. Contact may cause skin and eye irritation. May be harmful if swallowed. Inhalation of mist may cause respiratory irritation. Use only in well ventilated areas. Avoid contact with eyes and skin. Wear eye protection and gloves when mixing. Wash thoroughly after handling. Do not ingest or swallow. Avoid inhalation of mist

In case of eye contact, immediately flush with plenty of water. If irritation persists, seek medical attention. In case of skin irritation, flush with plenty of water. If ingested, drink large quantities of water. Seek medical attention. Remove to fresh air in case of inhalation. Seek medical attention if irritation persists.

CONTENTS:

Water (C.A.S.#7732-18-5), proprietary acid, polymer blend, citric acid (CAS# 77-92)

Dispose of excess product according to all local, state and federal regulations. Please recycle container.

ESPAÑOL

1. El acondicionador neutralizante Green Balance puede ser usado de forma segura en todo tipo de fibra sintética, y fibra mojada que se pueda lavar. Siempre pruebe la descoloración del tinte en un área discreta.

2. Instrucciones de la limpieza de alfombra:

PARA EXTRACTOR PORTÁTIL: Mezcle 2oz de solución en 5 galones de agua en el tanque de extracción portátil.

PARA UNIDAD MONTADA: Mezcle un cuarto de solución (32oz) en 5 galones de agua dentro de un contenedor de solución. Ponga el medidor entre 2 y 3.

APLICACIÓN DEL ROCIADO POST-LIMIEZA: Mezcle 5oz por galón de agua y aplique con un rociador. Se va a nublar ligeramente alrededor de la alfombra.

3. Limpieza de tapicería:

Mezcle de 4 a 6 oz de solución por galón de agua. Puede ser usado como un acondicionador final por su extractor o rociador en la tela después de la limpieza.
