X = Primary Use ✓ = Secondary Use

**FOAM DEFENSE**  
An additive for cleaning solutions which helps control foam in hoses and wastetanks. It enhances penetration of cleaning solution to help thorough rinsing of the item being cleaned.  
*For Professional Use Only*

Diminishes foam in extraction/emulsifying equipment when added to cleaning/emulsifying solutions. Primarily reduces foam, and also enhances deep cleaning. Saves time by limiting the monitoring necessary when using typical defoamers. Ideal for use with portables where defoaming endangers equipment and disrupts cleaning efficiency.

**Contents: One U.S. Quart (.94 Litres)**

### INSTRUCTIONS:

Pretest by adding small amount to selected prespray. It may be incompatible with some cationic cleaning solutions and will create a cloudy appearance. Add 1 to 2 ounces to 1 gallon of ready to use prespray chemical.

**Problematic Foaming Situation:** for extreme soap residue situations, add normal amount to ready to use gallon of Prolon as a prespray. If necessary, add an additional 1 to 2 oz. per gal. of ready-to-use Prolon diluted as an emulsifier.

**Contents:** Water, Proprietary non-hazardous additive. pH 3.0

**Caution:** Keep out of reach of children. This product may cause skin and eye irritation. Avoid contact with eyes and repeated contact with skin. Avoid ingestion. Contains no hazardous components.

**First Aid:** In case of eye contact, immediately flush with plenty of water. If irritation persists,

get medical attention. In case of ingestion, consult a physician. See Material Safety Data Sheets (MSDS) at [www.bridgepoint.com/msds](http://www.bridgepoint.com/msds) for additional safety and regulatory information.

### INSTRUCCIONES:

Pruebe poniendo un poco de prespray seleccionado. Puede ser incompatible con algunas soluciones catonical y puede crear una apariencia oscura. Adiera 1 a 2 onzas a 1 galon que este listo para usar con el.

### Situacion Problematica De La Espunia:

Para las situaciones extrmas del residio del jabón, agregue la cantidad normal al galón que este listo para usar como prespray. Si fuere necesario, adiera adicionalmente 1 a 2 oz. por galon de Prolon diluyendo con un emulsifier.

**Precaución:** Mantenga fuera del alcance de los niños. Puede causar irritación en la piel y en los ojos. Evite el contacto con los ojos y el contacto seguido con la piel. Evite la ingestión. No contiene ningún componente peligroso.

**Primeros Auxilios:** En caso de contacto con los ojos, inmediatamente limpie con bastante agua. Consiga atención médica si la irritación persiste. En caso de ingestión, consulte a un medico. Veáse Material Safety Data Sheets (MSDS) a [www.bridgepoint.com/msds](http://www.bridgepoint.com/msds) por información adicional de seguridad y reglas.

**IMPORTANT NOTICE TO PURCHASER:** Seller's and manufacturer's liability for any and all losses or damages resulting from any cause whatsoever shall in no event exceed the purchase price of this product, with respect to which losses or damages are claimed. Before using, the user shall determine the suitability of this product for its intended use, and user assumes all risk and liability whatsoever in connection therewith. Go to [www.bridgepoint.com/msds](http://www.bridgepoint.com/msds) for additional safety, regulatory and liability information.

### DEFOAMING ADDITIVE

May cause skin and eye irritation. Avoid contact with skin and eyes. In case of contact, immediately flush with plenty of water, seek medical advice if irritation persists.

Susceptible d'irriter la peau et les yeux. Évitez tout contact avec la peau et les yeux. S'il y a contact, lavez-vous immédiatement à la grande eau. Consultez un médecin si l'irritation se fait persistante.
