Reduce the Risk

Use Dye-Loc on upholstery and rugs you suspect may color-bleed. Follow the directions on the back panel and start cleaning delicate rugs and upholstery confidently.

For professional use only.

Keep out of reach of children!

Before using, read all cautions and directions!

BRIDGEPOINT

SYSTEMS

- Water-based fixing agent for direct and reactive dyes.
- Significantly improves both washfastness and crockfastness of dyed cellulosic and protein fabrics and their blends.
- Provides an anti-static quality to the treated textile.

Contents: One U.S. Quart (.94 Litres)

DIRECTIONS:

Procedure for Cleaning Oriental Rugs that may bleed.

1. Test rug for colorfastness. Pretest procedure below on small section of back of rug before proceeding.
2. If you think rug may bleed, add 3 oz. Dye-Loc per gallon of warm water. Apply with professional sprayer..
3. Prespray rug with Fabric Prespray diluted 1 to 8 with warm water.
4. Rinse and extract with up to 3 ounces of Dye-Loc for each gallon in your rinse water.

Test textile (fabric) for colorfastness.

If bleeding is not instantaneous, prespray with Bridgepoint Fabric Prespray, agitate, then add 3 oz. Dye-Loc per gallon warm/hot water and extract through machine as normal. Quick dry.

If bleeding is instantaneous, prespray fabric with Dye-Loc (3 oz. per gallon warm/hot water). Dry foam application with Bridgepoint Upholstery Shampoo, then agitate with natural sponge. Extract with Dye-Loc as described above.

CONTAINS: Proprietary formula.

INSTRUCCIONES:

Prebe la tela para asegurarse que los colores no se destiñan.

Si los colores no se destiñen inmediatamente, aplique un rociado preliminar de Bridgepoint Fabric Prespray, agítelo en la superficie y luego añada 3 onzas de Dye-Loc por galón (23 ml por litro) de agua tibia/caliente y extráigalo usando la máquina de la forma acostumbrada. Séquelo rápidamente.

Si los colores sí se destiñen inmediatamente, aplique un rociado preliminar a la tela usando Dye-Loc (3 onzas por galón [23 ml por litro] de agua tibia/caliente). Aplique una espuma seca con Bridgepoint Upholstery Shampoo, luego agítela con una esponja natural. Extráigalo con Dye-Loc tal como se describió anteriormente.
