11.3 RTU pH

X = Primary Use ✓ = Secondary Use

IMPORTANT NOTICE TO PURCHASER: Seller's and manufacturer's liability for any and all losses or damages resulting from any cause whatsoever shall in no event exceed the purchase price of this product, with respect to

which losses or damages are claimed. Before using, the user shall determine the suitability of this product for its intended uses, and user assumes all risk and liability whatsoever in connection therewith. Go to www.bridgepoint.com/msds for additional safety, regulatory and liability information.

DIRECTIONS:

1. Identify type of stain if possible.
2. Scrape or blot up all excess soiling.
3. Always pre-test fabric for color fastness in an inconspicuous area.
4. Apply spotter - blot dry and repeat until no further improvement is noted. Rinse with water.
5. Do not rub to avoid distortion of the pile or texture of fibers.

Protein Spotter gets the special stains other spotters don't: blood, vomit, egg and other protein-based stains. Put Protein Spotter on your toughest stains and rinse the chemical and the stain away together.

SAFETY INFORMATION

Caution: Keep Out of Reach of Children. May cause skin and eye irritation. Avoid contact with skin and eyes. Wear eye protection and gloves when mixing. Wash thoroughly after handling.

Contains: Water (CAS# 7732-18-5), Sodium Carbonate (CAS# 497-19-8), proprietary surfactant blend, sodium metasilicate (CAS# 6834-92-0)

FIRST AID: In case of skin or eye contact, immediately flush with plenty of water, get medical attention if irritation persists. See Material Safety Data Sheet (MSDS) for additional safety information.

INSTRUCCIONES:

1. Identifique el tipo de mancha, si es posible.
2. Raspe la mancha o séquela con material absorbente para quitar el exceso.

Water-Based Alkaline Spotter

3. Siempre pruebe la permanencia del color de la tela, en un área donde no se note.
4. Aplique el producto; séquelo sin frotar y repita el proceso hasta que no se note ningún mejoramiento adicional. Enjuáguelo con agua.
5. No frote la tela, a fin de evitar que se estropee la textura de las fibras.

Precaución: Manténgase fuera del alcance de los niños. En caso de que entre en contacto con los ojos, lávese los ojos con bastante agua durante 15 minutos, luego consulte con un médico.

Nota: Para información y usos adicionales, consulte el Catálogo de Productos de Bridgepoint y MSDS.
