

# DRY CLEANING PRESPRAY

## Upholstery and Drapery Preconditioner

### Dry Cleaning Prespray

Dry Cleaning Prespray is formulated with a combination of effective solvents and is used to pre-condition upholstery and drapes before the dry cleaning process.

Contents: One U.S. Gallon (3.79 Litres)

- X Residential Upholstery
- X Commercial Upholstery
- X Draperies

X = Primary Use ✓ = Secondary Use

- Used to pre-condition upholstery and drapes before the dry cleaning process.
- Designed to dissolve and emulsify oils and soils for easy removal by extraction or towel absorption
- Perfect for situations where water based chemicals aren't an option.

#### DIRECTIONS:

For use on fabrics or rugs labeled "dry clean only" or "S coded fabrics". Apply evenly to all fabric surfaces with a spray application or by toweling. Follow with normal cleaning operation and repeat as necessary. This product is ready to apply. Do not dilute.

#### CONTAINS:

Parafin distillate (CAS #64742-48-9), Methoxypropoxypropanol (CAS #34590-94-8), DeLimonene (CAS #5989-27-5), Surfactant

#### INSTRUCCIONES:

Solo use con material y alfombra etiquetado "Limpieza Seco" o "S etiquetado codigo". Aplique el producto en forma uniforme a todas las superficies de tela, usando un atomizador o una toalla. Luego, prosiga con el procedimiento normal de limpieza y repita la cantidad de veces que sea necesario. Este producto está listo para su uso. No lo diluya.

IMPORTANT NOTICE TO PURCHASER: Seller's and manufacturer's liability for any and all losses or damages resulting from any cause whatsoever shall in no event exceed the purchase price of this product, with respect to which losses or damages are claimed. Before using, the user shall determine the suitability of this product for its intended use, and user assumes all risk and liability whatsoever in connection therewith.
