IMPORTANT NOTICE TO PURCHASER: The manufacturer and seller warrant that the chemical contained herein conforms to its standard specifications. Seller's and manufacturer's liability for any and all losses or damages resulting from any cause whatsoever shall in no event exceed the purchase price of this product, with respect to which losses or damages are claimed. Before using, user shall determine the suitability of this product for the intended use, and user assumes all risk and liability whatsoever in connection therewith. The manufacturer and seller make no representation or warranty, including merchantability or any other kind, expressed or implied. The foregoing may not be altered except by written agreement by officers of the manufacturer.

RUST REMOVER is designed to be environmentally sound and safer for the user when compared to other harsh acid rust removers. DO NOT MIX WITH OTHER CLEANING PRODUCTS.

CONTROLLED pH (4.5) - No harsh acids are needed to remove the most stubborn rust stains. Rust Remover is much safer to use than other products. It requires no neutralizing.

WORKS FAST - No long waiting time for Rust Remover to work. Simply apply and in a few seconds the rust will begin to disappear.

DIRECTIONS

1. Test fabric for compatibility in an inconspicuous area.

2. Apply full strength to rust stain.

3. Allow a short time for Rust Remover to work. Light agitation will speed the process.

4. Thoroughly rinse area with Empowered Water™.

OTHER USES: Effective for many mineral based soils such as metal stains, water stains and rings. Excellent for removing mineral scale and hard water stains from hard surfaces. (Check surface for compatibility before using.)

CONTAINS

Ammonium Bifluoride (CAS #1341-49-7).

WARNING

Keep out of reach of children.
